Treatment Process Control Preventative Maintenance Services

Action:

- A. Approve unit price contract with Hach Company for Process Control Equipment Preventative Maintenance for an initial term of three years, and**
- B. Authorize the City Manager to renew the contract for one additional two-year term with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Angela Lee, Charlotte Water
Ron Hargrove, Charlotte Water

Explanation

- Charlotte Water uses Hach electronic equipment to monitor and control treatment processes in its water and wastewater treatment plants.
- This contract provides for the periodic calibration, maintenance, and repair of Hach brand equipment, which ensures the integrity and reliability of data reported to regulatory agencies.
- A waiver of a competitive solicitation process may be granted when deemed appropriate and in the City’s best interest. Such a finding has been made and a waiver granted for this procurement.
- Estimated contract expenditures are \$650,000 annually.

Charlotte Business INclusion

No subcontracting goal was established because there are no subcontracting opportunities (Part C: Section 2.1 (1) of the Charlotte Business INclusion Policy).
