Property Owner's Concerns: The property owner is concerned about the amount of compensation offered and easement language.

City's Response to Property Owner's Concerns: The city informed the property owner they could obtain their own appraisal or provide supporting documentation to justify a

counteroffer. The city explained the rationale of the easement language and how it meets the objectives for the project. The city continues to negotiate with the property owner.

Recommendation: The recommendation is to proceed to condemnation during which time negotiations can continue, mediation is available, and if necessary, just compensation can be determined by the court.
