Haley Gentry, Aviation  
Jack Christine, Aviation

**Explanation**

- Aviation is currently in the design phase for the North End Around Taxiway project, which will increase operational efficiency and enhance safety by reducing runway crossings for runways 18C-36C.
- This project requires extensive grading that will require the relocation of various Federal Aviation Administration (FAA) owned navigational aid facilities and field cabling.
- Aviation will reimburse the FAA for the cost of the work, which is estimated at approximately \$593,757.
- This activity is occurring on Airport property, located in Council District 3.
