Explanation

- Aviation owns and maintains 111 passenger boarding bridges. Painting passenger boarding bridges extends the useful life of the bridge by applying an epoxy coating to seal and protect against corrosion and water penetration.
- On January 31, 2024, the city issued a Request for Proposal; four proposals were received.
- Charlotte Paint Co., LLC best meets the city’s needs in terms of qualifications, experience, cost, and responsiveness to the RFP requirements.
- At renewal, potential price adjustments may be considered based on legitimate and justified increases in the cost of doing business. The ability to consider price adjustments also allows the city to accept decreases, if warranted.
- Annual expenditures are estimated to be \$120,000.
