 Robert Cook, Planning, Design & Development
 Neil Burke, Planning, Design & Development

Explanation

- The City of Charlotte is the lead planning agency for the Charlotte Regional Transportation Planning Organization (CRTPO), the Metropolitan Planning Organization for the Charlotte urbanized area.
- The Metropolitan Transportation Plan (MTP) is a federally required, long-range plan that must be updated every four years, and the CRTPO adopted its 2050 MTP in March 2022.
- The MTP will be prepared in accordance with federal law. The plan considers all modes of transportation and emphasizes the integration of mobility decision-making with safety, equity, and environmental sustainability.
- On behalf of the CRTPO, the City of Charlotte selects a consultant to provide planning, project evaluation, and public involvement services for the development of the 2055 MTP and to ensure all federal guidelines are met.
- On November 28, 2022, the city issued a Request for Qualifications (RFQ); five responses were received.
- Kimley-Horn and Associates, Inc. is the best-qualified firm to meet the city’s needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.

Small Professional Services Firm (SPSF) Opportunity

For Federal Transportation Administration-funded projects, NCDOT does not mandate a goal from the State’s SPSF program; however, Kimley-Horn and Associates, Inc. has committed 2.00% or approximately \$28,6367 to the following certified firm:

- Translink Consulting, LLC (SPSF) (\$28,637) (cost estimation, stakeholder engagement)

Fiscal Note

Funding: General Grants Fund (FY24 UPWP Section 104 f Planning Grant)
