Background

- A public hearing to close a Portion of Alleyway between Scott Avenue and Fountain View Street was opened at the March 25, 2024, Council Business Meeting.
- The public hearing was continued until the April 22, 2024, Council Business Meeting to allow for additional time for planning and review of options by surrounding property owners.
- Council heard from many concerned parties as to the resulting property access created by the proposed alley closure. The petitioner, concerned property owners, and staff met on multiple occasions to share concerns and potential solutions.
- To resolve the community’s concerns, the petitioner agreed to the following:
 - Widen and improve the public access easement connection to Fountain View Street and add striping to Fountain View Street to enable delivery/trash vehicles to serve the shopping center at 1417 East Boulevard (Collias Dev Co).
 - Provide continuous access to 1417 East Boulevard (Collias Dev Co) except for the time necessary to conduct the hardscape improvements (driveway, asphalt, etc.).
 - Construct a splitter island at the easement connection with Scott Avenue to discourage cut-through traffic from the 1315 East Boulevard property.
 - Dedicate a new 10-foot alleyway that is realigned to provide better access to the future public access easement between Scott Avenue and Fountain View Street.
