**Crash Reporting and Traffic Data Software Services**

**Action:**

- A. Authorize the City Manager to negotiate and approve a contract with Numetric, Inc. to provide, implement, and maintain crash reporting and traffic data software for an initial term of five years, and**
- B. Authorize the City Manager to renew the contract for up to two, one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

**Staff Resource(s):**

Liz Babson, Transportation  
Keith Bryant, Transportation  
Reenie Askew, Information and Technology

**Explanation**

- The city’s Department of Transportation requires comprehensive, cloud-based software to manage, aggregate, analyze, report, and visualize crash and traffic count data in order to provide a safe and efficient transportation system and to effectively plan for the city’s future growth.
- On July 1, 2020, the city issued a Request for Proposals; three responses were received.
- Numetric, Inc. best meets the city’s needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Annual expenditures are estimated to be \$200,000 in the first year and \$100,000 per year for the remainder of the period of performance.

**Charlotte Business INclusion**

Per Charlotte Business INclusion Policy: Part C: Section 2.1(a), the city shall not establish Subcontracting Goals for Contracts where (a) there are no subcontracting opportunities identified for the Contract; or (b) there are no MWBEs or SBEs certified to perform the scope of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provision (a) - No subcontracting opportunities.
