Emergency Repair of Sanitary Sewer Line at Stewart Creek

Action:

- A. Approve change order #1 for up to \$5,000,000 to Atlantic Coast Contractors, Inc. for emergency repair to sanitary sewer lines related to storm damage, and**
- B. Adopt a budget ordinance appropriating up to \$5,000,000 from fund balance in the Charlotte Water Operating Fund to the Charlotte Water Capital Projects Fund for emergency repairs.**

Staff Resource(s):

David Czerr, Charlotte Water
Ron Hargrove, Charlotte Water
Keri Cantrell, Charlotte Water

Explanation

- On February 6, 2020, flooding caused creek bank soil to wash away which damaged the 36-inch sanitary sewer line that parallels Stewart Creek (Council District 3).
- Emergency repairs are needed to mediate the storm erosion damage and to prevent further damage.
- Atlantic Coast Contractors, Inc. has a contract with the city to perform restoration work and has availability to do the required emergency work.
- This change order provides for the capacity to address additional emergency repairs, as needed.

Charlotte Business INclusion

All additional work involved in this Change Order will be performed by Atlantic Coast Contractors, Inc. and their existing subcontractors (Part D: Section 6 of the Charlotte Business INclusion Policy).

Fiscal Note

Funding: Charlotte Water Capital Investment Plan
