Storm Drainage Improvement Projects Series A

Action:

Award a contract in the amount of \$1,398,164.58 to the lowest responsive bidder Sealand Contractors Corp. for the Storm Drainage Improvement Projects Series A.

Staff Resource(s):

Mike Davis, Engineering and Property Management
Bong Vang, Engineering and Property Management

Explanation

- This contract is part of an ongoing program to provide repairs and improvements to existing storm drainage systems and construction of new storm drainage systems.
 - Each request is investigated and prioritized based on the severity of potential public/private property flooding and/or property damage.
 - The necessary repairs for each project are designed and a work order prepared.
- Contract A will address failing storm drainage systems in the following locations:
 - 3211 Ernest Russell Court (Council District 4),
 - 12516 Headquarters Farm Road (Council District 4),
 - 530 Halliwell Street (Council District 4),
 - 3711 Millstream Ridge Drive (Council District 4).
 - 815 Wabash Avenue (Council District 2),
 - 811 Trailing Rock Drive (Council District 2),
 - 1222 Norris Avenue (Council District 1),
 - 2869 Oasis Lane (Council District 3).
- Work will also include grading, drainage, sidewalks, curb and gutter, and water mains and services to existing infrastructure that increases safety and provides maintenance upgrades to roads.
- On April 13, 2018, the City issued an Invitation to Bid for Collective Storm Drainage Improvement Projects Series A; five bids were received from interested service providers.
- Sealand Contractors Corp. was selected as the lowest responsive, responsible bidder.
- These projects are anticipated to be complete by end of first quarter 2019.
