**Explanation**

- The city has received a petition for voluntary annexation of private property.
- Public hearings are required prior to City Council action on annexation requests.
- This property is located within Charlotte’s extraterritorial jurisdiction.
- The area proposed for annexation shares boundaries with current city limits.
- Annexation of this area will allow for more orderly development review, extension of city services, capital investments, and future annexation processes.
- The 70.96-acre “River District Preserve East” site is in southwestern Mecklenburg County along the south side of Sadler Road, west of Dixie River Road.
  - The property is currently vacant.
  - The petitioner has plans to develop 125 single family residential homes on the site.
  - The property is zoned MX-2, which allows for residential mixed-use development.
  - The property is located immediately adjacent to Council District 3.
  - The petitioned area consists of one parcel; parcel identification number 113-281-49.

**Consistency with City Council Policies**

- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003; more specifically this annexation:
  - Is consistent with the policy to not adversely affect the city’s ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services;
  - Is consistent with the policy to not create unincorporated areas that will be encompassed by new city limits.
