Staff Resource(s):

Angela Charles, Charlotte Water
David Czerr, Charlotte Water
Keri Cantrell, Charlotte Water

Explanation

- This contract will provide a water distribution system master plan, which is a system-wide effort to create a strategic framework and long-term investment plan for water distribution and treatment needs.
- The plan will provide growth projections, a current system evaluation, and identify projected needs to support the Charlotte Water service area's continuous growth.
- On August 18, 2022, the city issued a Request for Qualifications (RFQ); six responses were received.
- Black & Veatch is the best qualified firm to meet the city's needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- The project is anticipated to be complete by fourth quarter 2025.

Charlotte Business INclusion

The city negotiates subcontracting participation after the proposal selection process (Part C: Section 2.1 (h) of the Charlotte Business INclusion Policy). A 10.00% MSBE subcontracting goal has been committed and Black & Veatch has identified the following firms to be utilized as the project evolves:

- Gavel & Dorn Engineering, PLLC (SBE) (field testing program)
- Stewart Engineering, Inc. (MBE) (demand projections and GIS support)
