Explanation

- The Neighborhood Traffic Calming Policy was adopted in 1997, with the latest revision occurring in 2022.
- The Policy provides guidance for when traffic calming tools are appropriate for use on residential streets. These tools include speed cushions and multi-way stops.
- This contract will be utilized to install rubber speed cushions for neighborhood traffic calming when applicable.
- On May 18, 2022, the city issued a Request for Proposals (RFP); three responses were received.
- AWP, Inc. dba AWP Safety best meets the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Price adjustments may be considered based on legitimate and justified increases in the cost of doing business.
- Annual expenditures are estimated to be \$219,500.

Charlotte Business INclusion

Per Charlotte Business INclusion Policy: Part B: Section 2.3, The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities for the Contract; or (b) there are no MWSBEs certified to perform the scope of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provision of (a) - No subcontracting opportunities.
