#### **Explanation**

- Public hearings to obtain community input are required prior to City Council taking action on annexation requests.
- A petition has been received from the owners of this 54.192-acre property located along the west side of Dixie River Road, north of Lynn Parker Lane in western Mecklenburg County.
- The property is owned by Crescent River District, LLC.
- The site is currently vacant and is zoned MUDD-O ANDO (mixed-use development district, optional, airport noise disclosure overlay).
  - Rezoning petition 2016-056 rezoned this site in November of 2016 as part of the larger River District master-planned community.
- The intent of the annexation is to extend municipal services to the site to support the development of 193 single family units.
- The petitioned area consists of one parcel; parcel identification number: 113-291-07.
- The property is located within Charlotte's extraterritorial jurisdiction and does not share boundaries with current city limits.
- In the evaluation of this annexation area, Charlotte-Mecklenburg Stormwater Services, Charlotte-Mecklenburg Police Department, Charlotte Department of Transportation, and Charlotte Solid Waste Services noted that this annexation area would have minimal to no impacts to the departments' resources.
- In reviewing this annexation petition, the Charlotte Fire Department noted that the temporary station to service development in the area is expected to be completed in the third quarter of 2025, and will need to be operational prior to granting certificates of occupancy in this area.
- The potential revenue generated from this annexation area is projected to exceed the estimated cost of extending municipal services to the site.

#### **Consistent with City Council Policies**

- The annexation is consistent with voluntary annexation policy approved by City Council on March 24, 2003; more specifically this annexation:
  - Will not adversely affect the city's ability to undertake future annexations;
  - Will not have undue negative impact on city finances or services; and
  - Will not result in a situation where unincorporated areas will be encompassed by new city limits.
