Bank of America Stadium Improvements Project

Staff Resource(s):

Tracy Dodson, City Manager's Office

Explanation

- In follow up to the June 3rd Jobs and Economic Development Committee meeting, June 3rd City Council Committee report outs, and June 10th City Council Action Review, staff will provide an opportunity for Committee members to hear from the hospitality and tourism industry and small business owners about the economic benefits of Bank of America Stadium's activation, hear from additional contractors about their experiences working with certified MWSBEs, and have a discussion with Tepper Sports and Entertainment leadership.

Action: Review and committee recommendation to Council
