Explanation

- This contract provides for preventative maintenance and repair services for dewatering and thickening centrifuges at the Mallard Creek Wastewater Treatment Plant, located within Council District 4.
- On June 1, 2023, the city issued a Request for Proposals (RFP); four responses were received.
- Frazenburg LLC best met the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Price adjustments may be considered based on legitimate and justified increases in the cost of doing business. The ability to consider price adjustments also allows the city to accept price decreases, if warranted.
- Annual expenditures are estimated to be \$650,000.

Charlotte Business INclusion
