### **State Contract Exemption**

G.S. 143-129(e)(9) allows local governments to purchase from state contracts if the contractor is willing to extend the same or more favorable prices, terms, and conditions as those established under the state contract.

### **Explanation**

- The City assesses vehicles and equipment on an annual basis to determine replacement needs based on a rating of vehicle usage, age, maintenance costs, and condition.
- State contracts aggregate purchasing power to provide goods to public agencies at the best value.
- The vendors above are willing to provide utility bodies and dump truck bodies to the City at the same or better terms as provided in the contracts with the State of North Carolina.
- Equipment being purchased from state contracts include utility bodies and dump truck bodies which will be installed into truck cab and chassis purchased from separate contracts.
- The unit prices set forth in the proposed contracts is available upon request.
- Annual expenditures are estimated to be \$1,330,000.

### **Charlotte Business INclusion**

This contract is purchased off a State contract and is exempt (Part A: Appendix 27 of the Charlotte Business INClusion Policy).
