West Morehead and I-77 Pedestrian Improvements Project

Action:

Award a contract in the amount of \$319,541.75 to the lowest responsive bidder B & N Grading, Inc. for the West Morehead and I-77 Pedestrian Improvements project.

Staff Resource(s):

Mike Davis, Engineering and Property Management
Chandler Crofts, Engineering and Property Management

Explanation

- This project was selected because there is a significant need to upgrade the existing pedestrian facilities in order to provide a safer connectivity to Center City and the surrounding neighborhoods.
- The scope for this project will include new curb and gutter, wider sidewalks, wheelchair ramps, pedestrian lighting, and street resurfacing.
- The goal of this project is to enhance pedestrian safety at West Morehead Street and I-77 (approximately 0.2 mile). The City has identified this location as a priority due to high traffic volumes.
- On October 13, 2017, the City issued an Invitation to Bid; four bids were received from interested service providers.
- B & N Grading, Inc. was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by second quarter of 2018.
