United States General Services Administration Lease Amendment

Action:

Approve a five-year lease amendment with the United States General Services Administration for Transportation Security Administration office space.

Staff Resource(s):

Brent Cagle, Aviation
Haley Gentry, Aviation

Explanation

- The Transportation Security Administration (TSA) provides security screening services for the traveling public at airports and requires onsite offices for staff.
- The current lease provides office space in the Airport Terminal and other airport properties.
- Under this amendment, TSA will retain 5,257 square feet of space in the Old Terminal, and will occupy a total of 8,155 square feet of office space in the Passenger Terminal.
- The annual value of the lease is \$509,209.35, for a total value of \$2,546,046.75 over the five-year term.
