North Graham Street Sidewalk Project

Action:

- A. Award a contract in the amount of \$960,256 to the lowest responsive bidder Onsite Development, LLC for the North Graham Street Sidewalk project, and**
- B. Adopt a resolution authorizing the placement of decorative features within North Carolina Department of Transportation right-of-way along North Graham Street at Interstate-277.**

Staff Resource(s):

Mike Davis, Engineering and Property Management
Chandler Crofts, Engineering and Property Management
Liz Babson, Transportation
Felix Obregon, Transportation

Explanation

- This project will include the construction of approximately a quarter-mile of new sidewalk along both sides of North Graham Street from 10th Street to 12th Street, located in Council District 2.
- Work will include grading, curb, gutter, wheelchair ramps, concrete islands, a retaining wall, asphalt pavement, and pavement markings.
- Pursuant to the encroachment agreement, the North Carolina Department of Transportation (NCDOT) requires a resolution for placement of decorative features in NCDOT right-of-way. These decorative features include lighting and a retaining wall with decorative brick veneer.
- The goal of this project is to enhance the gateway appearance along this corridor at the same time providing safer connectivity to Center City and the surrounding neighborhoods.
- On February 12, 2018, the City issued an Invitation to Bid; 3 bids were received from interested service providers.
- Onsite Development, LLC was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by fourth quarter 2018.

Charlotte Business INclusion

Established SBE Goal: 14.00%
