Explanation

- Two traffic signals will be installed within the next year at the two following locations:
 - I-77 Southbound Ramp and LaSalle Street (Council District 2), and
 - I-77 Southbound Ramp and 5th Street (Council District 2).
- NCDOT analyzed traffic at these two locations and approved the installation of traffic signals.
- These locations are on State Routes; therefore, by this agreement NCDOT authorizes the City to install these signals.
- This agreement, in the amount of \$214,000, is also needed to ensure the City is fully reimbursed by NCDOT for the work it performs.
- This format is consistent with past Municipal Agreements between the City and NCDOT.
