Explanation

- Geotechnical, environmental, and blast monitoring services are necessary to ensure projects meet construction plans and specifications requirements.
- On February 19, 2018, the City issued a Request for Qualifications (RFQ) for Miscellaneous Geotechnical, Environmental Testing, and Blast Monitoring Services. In response to the RFQ, the City received 14 proposals from interested professional service providers.
- Firms were allowed to submit qualifications for any of the services listed in the RFQ.
- The following are the best qualified firms to meet the City's needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.

Environmental Testing: Civil & Environmental Consultants and Hart & Hickman, PC

Geotechnical: Gavel & Dorn Engineering, PLLC

Geotechnical, Environmental Testing, and Blast Monitoring: ESP Associates, P.A., S&ME,

Inc., and Terracon Consultants, Inc.

Charlotte Business INclusion

No subcontracting goal was established because there are no opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy). However, one of these contracts will be awarded to the following certified firm:

- Gavel & Dorn Engineering, PLLC (SBE)

Fiscal Note
