Storm Drainage Improvement Projects Series B

Action:

Award a contract in the amount of \$1,537,822.00 to the lowest responsive bidder Onsite Development, LLC for the Storm Drainage Improvement Projects Series B.

Staff Resource(s):

Mike Davis, Engineering and Property Management
Bong Vang, Engineering and Property Management

Explanation

- This contract is part of an ongoing program to provide repairs and improvements to existing storm drainage systems and construction of new storm drainage systems.
 - Each request is investigated and prioritized based on the severity of potential public/private property flooding and/or property damage.
 - The necessary repairs for each project are designed and a work order prepared.
- Contract B will address failing storm drainage systems in the following locations:
 - 4600 The Plaza (Council District 1),
 - 333 East Trade Street (Council District 1),
 - 5743 Barrington Drive (Council District 5),
 - 3320 Fortis Lane (Council District 5),
 - 216 Burleigh Street (Council District 6),
 - 620 Edgemont Road (Council District 6), and
 - 2130 Valencia Terrace (Council District 6).
- Work will also include grading, drainage, sidewalks, curb and gutter, and water mains and services to existing infrastructure that increases safety and provides maintenance upgrades to roads.
- On April 18, 2018, the City issued an Invitation to Bid for Collective Storm Drainage Improvement Projects Series B; four bids were received from interested service providers.
- Onsite Development, LLC was selected as the lowest responsive, responsible bidder.
- These projects are anticipated to be complete by end of first quarter 2019.

Charlotte Business INclusion
