Transportation Strategy - Charlotte Department of Transportation

Staff Resource(s):

Liz Babson, Transportation

Time: 20 minutes

Explanation

- This presentation will provide information on the city's vision and strategy for transportation infrastructure.
- The overview will include discussion on Vision Zero.
- Goals of the Charlotte Department of Transportation include: promoting safety, mobility, and community building in all that we do.

Future Action

At a future meeting, City Council may be asked to consider ordinance amendments regarding dockless bike share and e-scooters based on lessons learned from the 12-month pilot program.
