Hyundai Construction Equipment Parts and Maintenance Services

Action:

- A. Approve a unit price contract with May Heavy Equipment for Hyundai construction equipment parts and maintenance services for an initial term of three years, and**
- B. Authorize the City Manager to renew the contract for up to two, one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Mike Davis, Engineering and Property Management
Chris Trull, Engineering and Property Management

Explanation

- All construction equipment in the City's fleet receives preventative maintenance including warranty repairs, and general repairs and maintenance.
- Warranty repairs are required to be completed by an authorized manufacturer repair facility.
- May Heavy Equipment is the only company authorized by the manufacturer in western North Carolina to perform these services on Hyundai construction equipment.
- Waiver of a competitive solicitation process may be granted when deemed appropriate and in the City's best interest. Such a finding has been made and a waiver granted for this procurement.
- Annual expenditures are estimated to be \$250,000.

Charlotte Business INClusion

No subcontracting goal was established because there are no subcontracting opportunities (Part C: Section 2.1(a) of the Charlotte Business INClusion Policy).

Fiscal Note

Funding: Engineering and Property Management Operating Budget
