 Carl Wilson, Charlotte Water

### Explanation

- These contracts will provide engineering services for water and sanitary sewer relocations and improvements on an as-needed basis.
- Services include preliminary engineering, water and sanitary sewer design, permitting, and construction administration and observation.
- On January 25, 2019, the City issued a Request for Qualifications (RFQ); four responses were received.
- The companies selected best meet the City's needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.
- Annual expenditures for all contracts are estimated to be \$2,250,000.

### Charlotte Business INclusion

The City negotiates subcontracting participation after the proposal selection process (Part C: Section 2.1 (h) of the Charlotte Business INclusion Policy). Hinde Engineering, Inc., a City SBE, is being awarded one of the contracts. On these contracts, the Prime Consultants have each committed 10% of the total contract amount to the following certified firms to be utilized as project scopes are defined:

#### Hinde Engineering, Inc.

- DiCon Consulting, PC (SBE) (engineering support, construction observation services)

- Avioimage Mapping Services, Inc. (SBE) (aerial mapping services)

Kimley-Horn and Associates Inc.
