Bridge Maintenance

Action:

Approve a contract in the amount of \$1,373,025.25 to the lowest responsive bidder Sloan Construction a Division of Reeves Construction Company for bridge maintenance.

Staff Resource(s):

Liz Babson, Transportation
Geoffrey Sloop, Transportation

Explanation

- The Federal Highway Administration mandates that bridges and culverts be inspected every two years for structural adequacy, safety, and functionality.
- The city is responsible for the inspection and maintenance of 205 bridges within city limits.
- This contract provides for routine construction and maintenance work to three bridges identified through the inspection process. The bridges are located in Council Districts 2 and 3.
- Work may include but is not limited to:
 - Superstructure replacement,
 - Concrete pavement repairs,
 - Asphalt surface sealing, repair, or replacement,
 - Brush and tree control,
 - Debris removal,
 - Soil and erosion repairs,
 - Barrier rail and hand rail installation and repairs,
 - Retaining wall repairs and replacement,
 - Culvert repairs,
 - Removal, containment, and disposal of the existing materials,
 - Traffic control, and
 - Erosion and sediment control.
- On June 3, 2019, the city issued an Invitation to Bid; three bids were received.
- Sloan Construction was selected as the lowest responsive, responsible bidder.
- Maintenance anticipated to occur Summer 2019.
