Explanation

- The city owns a large number of pumps and motors throughout its facilities that are used for all types of pumping and treatment equipment. That equipment requires a wide variety of repair services. These contracts will provide the technical expertise to provide those services.
- On June 17, 2019, the city issued a Request for Proposals (RFP); eight responses were received.
- The companies selected best meet the city's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Annual expenditures are estimated to be \$2,250,000.

Charlotte Business INclusion

Dixie Electro Mechanical Services Inc is a WBE.

Per Charlotte Business INclusion Policy: Part C: Section 2.1(a) The city shall not establish Subcontracting Goals for Contracts where: (a) there are not subcontracting opportunities identified for the Contract; or (b) there are no SBEs or MBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (a) - No subcontracting opportunities.
