### **Staff Resource(s):**

Katrina Young, Planning, Design and Development

### **Explanation**

- The city has received a petition for voluntary annexation of private property.
- Public hearings are required prior to City Council action on annexation requests.
- This property is located within Charlotte's extraterritorial jurisdiction.
- The area proposed for annexation shares a boundary with current city limits.
- Annexation of this area will allow for more orderly land development review, extension of city services, capital investments, and future annexation processes.
- The 41.732-acres "Porter's Row" site is located east of Shopton Road and north of South Tryon Street in southwest Mecklenburg County.
  - The property is currently vacant.
  - The petitioner has plans to construct 236 multi-family residential dwelling units on the site.
  - The property is zoned R-8MF CD multi-family residential (which allows eight residential units per acre).
  - The property is located immediately adjacent to City Council District 3.
  - The petitioned area consists of one parcel: PID 19901102.

### **Consistency with City Council Policies**

- The annexation is consistent with all city voluntary annexation policies approved by the City Council on March 24, 2003:
  - Is consistent with the policy to not adversely affect the city's ability to undertake future annexations;
  - Is consistent with the policy to not have undue negative impact on city finances or services; and
  - Is consistent with the policy to not create unincorporated areas that will be encompassed by new city limits.

### **Public Hearing Date**

The resolution sets Monday, November 25, 2019 for the public hearing.
