## Storm Water Services GIS Inventory Data Collection

### Action:

- A. Approve a contract for \$1,800,000 with ESP Associates, Inc. for Storm Water Services GIS inventory data collection, and**
- B. Authorize the City Manager to amend the contract consistent with the purpose for which the contract was approved.**

### **Staff Resource(s):**

Phil Reiger, General Services  
Kruti Desai, General Services  
Kate Labadorf, General Services

### **Explanation**

- This contract will provide GIS inventory of the storm drainage infrastructure including structures, pipes, and open drainage systems within city limits.
- A complete drainage inventory is a critical component of asset management and the Storm Water Services' drainage improvement program. Approximately 60 percent of the drainage system has been inventoried.
- On April 8, 2019, the city issued a Request for Qualifications (RFQ); 13 responses were received.
- ESP Associates, Inc. is the best qualified firm to meet the city's needs on the basis of demonstrated competence and qualification of professional services in response to the RFQ requirements.

### **Charlotte Business INclusion**

The city negotiates subcontracting participation after the firm is selected for this services contract (Part C: Section 2.1(h) of the Charlotte Business INclusion Policy). ESP Associates, Inc. has committed 10% (\$180,000) of the contract amount to the following certified firm:

- Capstone Civil Engineering, Inc. (MBE, SBE) (\$180,000) (surveying)

### **Fiscal Note**

Funding: Storm Water Operating Budget
