Utility Relocation Agreement for I-85 North Bridge

Action:

Authorize the City Manager to execute an agreement with Duke Energy in an amount up to \$2,500,000 for the relocation of transmission facilities for the I-85 North Bridge.

Staff Resource(s):

Phil Reiger, General Services
Jennifer Smith, General Services
Veronica Wallace, General Services

Explanation

- The Interstate 85 North Bridge Project, located in Charlotte's northeast corridor in Council District 4, will connect Research Drive to J.W. Clay Boulevard.
- The project requires Duke transmission towers, lines, and poles be raised to provide clearance for the new bridge across Doby Creek.
- The bridge will connect University City residential, retail, and educational centers on the east side to University Research Park business and employment centers on the west side.
- This one-time payment to Duke Energy is included in the project's budget.
