On agenda:	9/28/2020	Final action:			
Title:	Airport Aircraft Ground Power Units				
Attachments:					

Date	Ver.	Action By	Action	Result
------	------	-----------	--------	--------

Airport Aircraft Ground Power Units

Action:

- A. Approve a unit price contract with ITW GSE Inc. for the purchase of ground power units for an initial term of three years, and**
- B. Authorize the City Manager to renew the contracts for up to two, one-year terms with possible price adjustments and to amend the contracts consistent with the purpose for which the contracts were approved.**

Staff Resource(s):

Brent Cagle, Aviation
Haley Gentry, Aviation
Jack Christine, Aviation

Explanation

- The city owns and maintains 89 passenger loading bridges, which include ground power units for the aircraft.
- The ground power units are integral components of the loading bridges as they provide power to the aircraft while it is docked.
- On March 13, 2020, the city issued an Invitation to Bid; seven bids were received.
- ITW GSE Inc. was selected as the lowest responsive, responsible bidder.
- Annual expenditures are estimated to be \$1,300,000.
- This activity is occurring on airport property located in Council District 3.

Charlotte Business INClusion

Per Charlotte Business INClusion Policy: Part C: Section 2.1(a), the city shall not establish subcontracting goals for contracts where: (a) there are no subcontracting opportunities identified for the contract: or (b) there are no MBEs or SBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provisions of (a) - No subcontracting opportunities.
