### **Explanation**

- Enterprise Resource Planning (ERP) integrates internal and external management information across the entire organization. The city's ERP solution includes financial, procurement, project cost accounting, and grant cost accounting functions.
- After a competitive solicitation process, City Council approved the software and implementation project on November 28, 2011.
  - This project included contracts to purchase and implement the MUNIS financial and procurement system from Tyler Technologies, Inc. and an accounts receivable system from Air-Transport IT, Services, Inc., now Amadeus Airport IT Americas, Inc.
- On August 25, 2014, City Council approved contract renewals for up to five years for Tyler Technologies, Inc. and Air-Transport IT, Services, Inc.
- Total annual expenditures are estimated to be \$339,734. It is anticipated that both contracts may be renewed for up to five years.

### **Charlotte Business INclusion**

Per Charlotte Business INclusion Policy: Part B: Section 2.3(a) The city shall not establish Subcontracting Goals for contracts where (a) there are no subcontracting opportunities identified for the Contract; or (b)

there are no MWBEs or SBEs certified to perform the scopes of work that the city regards as realistic opportunities for subcontracting.

This contract meets the provision of (a) - No subcontracting opportunities.
