Property Owner's Concerns: The property owner is concerned about the design of the

project and the amount of compensation offered.

City's Response to Property Owner's Concerns: The city explained the rationale of the design and how it meets the objectives for the project and informed the property owner they could obtain their own appraisal in order to justify a counteroffer.

Recommendation: To avoid delay in the project schedule, the recommendation is to proceed to condemnation during which time negotiations can continue, mediation is available and if necessary, just compensation can be determined by the court.
