### Sole Source Exemption

- G.S. 143-129 (e) (6) provides that formal bidding requirements do not apply when:
  - Performance or price competition are not available;
  - A needed product is available from only one source or supply; or
  - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract because there is only one supply source.
- City Council approval is required for any purchases made under the sole source exception.

### Explanation

- The city uses original equipment manufacturer (OEM) rail parts in the daily maintenance and repair for the CATS light rail vehicles, trolley cars, and rail infrastructure.
- Hanning & Kahl is the sole provider of the control parts needed for the Gold Line Phase 1 train control system.
- The parts and services that are being bought under this contract are for replacement parts and inventory stock spares to maintain Gold Line Phase 1 train control equipment.
- Annual expenditures are estimated to be \$50,000.

### Charlotte Business INclusion

This is a sole source contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).
