### **Explanation**

- City facilities have numerous elevators, escalators, and moving walkways. In addition to routine maintenance, each one requires immediate response in the event of failure.
- NC General Statute 143-129(e)(3) allows local governments to purchase from formally organized cooperative purchasing contracts.
- A cooperative purchasing agreement results from the consolidation and competitive solicitation of multiple public agency requirements. By aggregating common needs all agencies are able to leverage economies of scale, such as volume discounts, improved terms and conditions, reduced administrative costs, and access to professional and technical expertise.
- Annual expenditures are estimated to be \$7,000,000.

### **Charlotte Business INclusion**

These are cooperative purchasing contracts and are exempt (Part A: Appendix 27 of the Charlotte Business INclusion Policy).
