Explanation

- This amendment will modify the existing Water and Sewer Interlocal Agreement with the Water and Sewer Authority of Cabarrus County (WSACC) to partially fund the Rocky River Regional Wastewater Treatment Plant (RRWWTP) Expansion project in Cabarrus County.
- The interlocal agreement with WSACC enables Charlotte Water to collect, convey, and treat wastewater at the RRRWWTP.
- Charlotte Water has requested an additional three million gallons per day treatment allocation from the RRRWWTP needed to support growth and flow projections from Mecklenburg County.
- This project will increase the RRWWTP treatment capacity and enable the plant to accommodate the Charlotte Water request.
- The Charlotte Water cost share for the project is approximately \$54,000,000.

Charlotte Business INclusion

This is an interlocal agreement and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).
