## Independence Boulevard Busway Restoration

### **Action:**

**Adopt a resolution authorizing the City Manager to negotiate and execute a Municipal Agreement with the North Carolina Department of Transportation for design and construction of modifications to the busway entrance and exit on Independence Boulevard in the amount of \$750,000.**

### **Staff Resource(s):**

John Lewis, Jr., CATS  
Kelly Goforth, CATS  
David McDonald, CATS

### **Explanation**

- The Independence Boulevard busway was closed during the construction of the Hawthorne Lane Bridge for the CityLYNX Gold Line Phase 2 project and was anticipated to remain closed while the North Carolina Department of Transportation (NCDOT) converted the busway to a toll facility as part of the Independence Boulevard widening project.
- NCDOT funding shortfalls have significantly delayed the busway conversion to a toll facility, leaving the busway needing interim work to restore busway operation.
- The project will modify the entrance and exit of the busway near the Hawthorne Lane Bridge to restore busway operation (Council District 1).
- NCDOT will manage and execute the work under this municipal agreement, and the busway will be reopened to CATS and emergency vehicle use by the end of the year.

### **Fiscal Note**

Funding: CATS Capital Investment Plan
