Unified Development Ordinance

- The Planning, Design & Development staff will review several topics of the Draft Unified Development Ordinance (UDO) that have received a significant number of comments from the community through the online comment portal as well as in community conversations.
- Staff will provide Council with recommendations for changes on these topics to acquire Council feedback on these proposed changes in advance of the next draft of the UDO expected late May. This will assist in the continued conversation toward a summer 2022 Council UDO adoption.
