### **Sole Source Exemption**

- NC General Statute Section 143-129(e)(6) provides that formal bidding requirements do not apply when:
  - Performance or price competition are not available;
  - A needed product is available from only one source or supply; or
  - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract because standardization or compatibility is the overriding considerations.
- City Council approval is required for any purchases made under the sole source exception.

### **Explanation**

- The Airport uses stanchions in the ticket lobby to manage queuing for security checkpoints.
- The magnetic base stanchion product is advantageous for Aviation as it greatly increases queuing capacity while significantly reducing the queuing footprint for the originating passengers.
- Annual expenditures are estimated to be \$72,333.
- This activity is occurring on Airport property, located in Council District 3.
