Sole Source Exemption

- NC General Statute Section 143-129(e)(6) provides that formal bidding requirements do not apply when:
 - Performance or price competition are not available;
 - A needed product is available from only one source or supply; or
 - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract because performance or price competition are not available.
- City Council approval is required for any purchases made under the sole source exception.

Explanation

- A-Bridge LLC has recently taken on the mechanical and electrical support for all models of the DEW Bridges that Ameribridge supported before their liquidation.
- At Charlotte Douglas International Airport, DEW Bridges are located on E-Concourse and any bridge malfunction would cause significant delay in airline operations.
- Annual expenditures are estimated to be \$60,000.
