Sole Source Exemption

- NC General Statute Section 143-129(e)(6) provides that formal bidding requirements do not apply when:
 - Performance or price competition are not available;
 - A needed product is available from only one source or supply; or
 - Standardization or compatibility is the overriding consideration.
- Sole sourcing is necessary for this contract because standardization or compatibility is the overriding consideration.
- City Council approval is required for any purchases made under the sole source exception.

Explanation

- Charlotte Douglas International Airport’s Bag Hygiene Policy states that all soft baggage or any form of luggage with straps must be placed into a tub to properly run through the Baggage Handling System without causing issues.
- GeoTex tubs outperformed all other brands, providing plentiful storage space, durability, lower weight, ease of usage, and patented anti-slip technology.
- Annual expenditures are estimated to be \$25,000.

Charlotte Business INclusion

This is a sole source contract and is exempt (Part A: Appendix 1.27 of the Charlotte Business INclusion Policy).
