Control System Hardware and Software Support

Action:

- A. Approve unit price contracts with the following companies for water and wastewater process control equipment maintenance for an initial term of two years:**
 - CITI, Inc. (MBE),
 - MPG Consulting Services, LLC (MBE, SBE), and
- B. Authorize the City Manager to renew the contracts for up to one, two-year term with possible price adjustments and to amend the contracts consistent with the purpose for which the contracts were approved.**

Staff Resource(s):

Angela Charles, Charlotte Water
Ron Hargrove, Charlotte Water
Travis Hunnicutt, Charlotte Water

Explanation

- These contracts provide maintenance services for the Supervisory Control and Data Acquisition (SCADA) system. This includes all instrumentation, programmable controllers and computer networks that control operational processes at Charlotte Water facilities.
- To ensure consistency, these vendors will also be utilized as subcontractors for projects funded by Charlotte Water’s Community Investment Plan.
- On November 16, 2022, the city issued a Request for Proposals (RFP); five responses were received.
- The companies selected best meet the city’s needs in terms of demonstrated competence and qualification of professional services in response to the RFP requirements.
- Annual aggregate expenditures are estimated to be \$1,250,000.

Charlotte Business INclusion

CITI, Inc. is a city certified MBE. MPG Consulting Services, LLC is a city certified MBE and SBE.
