The petitioner owns all of the abutting property and intends to reassemble this land in order to accommodate the expansion of Presbyterian Hospital's medical and parking facilities. The abandonment of this right-of-way along with the proposed expansion project is consistent with rezoning petition #2013-043, which was approved by City Council on June 17, 2013.

Notification

City Departments

Review by City departments identified no apparent reason this closing would:

- Be contrary to the public interest;
- Deprive any individual(s) owning property in the vicinity of reasonable means of ingress and egress to his property as outlined in the statutes; and
- Be contrary to the adopted policy to preserve existing rights-of-way for connectivity.
