Cyber Security Audit and Assessment Services

Action:

- A. Approve a contract with Root9B for Security Audit and Assessment Services for an initial term of three years, and**
- B. Authorize the City Manager to renew the contract for up to two additional one-year terms with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Jeff Stovall, Innovation and Technology
Randy Moulton, Innovation and Technology

Explanation

- The City uses an outside service provider to audit and assess the technical security vulnerabilities the City faces and to recommend measures to mitigate these risks.
- On February 16, 2017, the City issued a Request for Proposals (RFP); twenty-two proposals were received from interested service providers.
- Root9B best meets the City's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- Staff anticipates renewing the contract for up to two additional, one-year terms at prices to be negotiated based on market conditions.
- Estimated contract expenditures are \$200,000 for the first year and \$100,000 annually for the remaining two years of the initial term as well as each optional one-year renewal.

Charlotte Business INclusion

No subcontracting goal was established because there are no subcontracting opportunities (Part C: Section 2.1(a) of the Charlotte Business INclusion Policy).
