Water and Sewer System Repairs

Action:

- A. Award a contract in the amount of \$2,837,592 to the lowest responsive bidder, State Utility Contractors Inc. for Water and Sewer Repairs, and**
- B. Authorize the City Manager to approve up to three renewals with possible price adjustments and to amend the contract consistent with the purpose for which the contract was approved.**

Staff Resource(s):

Barry Gullet, Charlotte Water
Ron Hargrove, Charlotte Water

Explanation

- The Water and Sewer Repairs contract will be used to supplement staff in making routine, unplanned, and critical repairs to the water distribution and sanitary sewer collection systems, county-wide, such as fire hydrant replacement, water main repair and replacement, sanitary sewer main repair, sanitary sewer lateral repair, and sanitary sewer manhole replacement.
- Each contract term will last approximately 18 months.
- On May 4, 2017, the City issued an Invitation to Bid; three bids were received from interested contractors.
- State Utility Contractors Inc. was selected as the lowest responsive, responsible bidder.
- On April 27, 2015, City Council awarded a similar contract. Our current unspecified contract is on its last renewal, and we have a need for a second contract.
