File #: 15-5840, Version: 1

Central Avenue at Clement Avenue Pedestrian Safety Project

Action:

Approve payment to Duke Energy for up to \$110,000 for the relocation and installation of new poles at the intersection of Central Avenue and Clement Avenue.

Staff Resource(s):

Danny Pleasant, Transportation
Angela Berry, Transportation

Explanation

- The Charlotte Department of Transportation (CDOT) identified the intersection of Central Avenue and Clement Avenue as needing pedestrian safety and connectivity improvements.
- A future traffic signal was planned for this intersection as part of the Gold Line project.
- CDOT programmed funding to install the traffic signal which includes pedestrian signals in order to provide more immediate pedestrian improvements.
- This amount is for full payment for all Duke utility relocations for the project as well as the new poles required for the proposed traffic signal.
- Construction, including the traffic signal installation, is expected to be complete by the 2nd quarter of 2018.

Charlotte Business INClusion

Construction contracts estimated to be less than \$300,000 are informal and exempt from the goal setting process (Part A: Section 3.1 of the Charlotte Business INClusion Policy).

Fiscal Note

Funding: General Transportation Community Investment Plan
