Airport Communication Room Fiber Installation

Action:

- A. Approve a contract in the amount of \$1,169,723 with Universal Phone Systems, Inc. for Airport Communication Room Fiber Installation, and**
- B. Adopt a budget ordinance appropriating \$1,169,723 from the Aviation Discretionary Fund to the Aviation Community Investment Plan Fund.**

Staff Resource(s):

Brent Cagle, Aviation
Haley Gentry, Aviation

Explanation

- As part of the concourse renovation, this contract will provide for the installation of fiber connections throughout the Terminal to support communication systems at the Airport.
- On April 11, 2017, the City issued a Request for Proposals (RFP); three proposals were received from interested service providers.
- Universal Phone Systems, Inc. best meets the City's needs in terms of qualifications, experience, cost, and responsiveness to RFP requirements.
- This project is estimated to be completed by September of 2017.

Charlotte Business INClusion

The City negotiated subcontracting participation after the proposal selection process (Part C: Section 2.1 (h) of the Charlotte Business INClusion Policy).

Universal Phone Systems, Inc. has committed 37.57% (\$432,002) of the total contract amount to the following certified firms:

- Besco Electrical (MBE) (\$283,802) (cable tray system, ductless split systems electrical, and upgrade grounding)
- Superior Mechanical Systems (SBE, MBE) (\$148,200) (ductless split systems)
