Private Developer Funds for Traffic Signal Improvements

Action:

Adopt a budget ordinance appropriating \$21,200 in private developer funds for traffic signal improvements and related work.

Staff Resource(s):

Liz Babson, Transportation
Debbie Smith, Transportation

Explanation

- Private developer funding is for traffic signals, upgrades, and related work associated with developer projects.
- Central Piedmont Community College (CPCC) contributed \$16,200 to fund traffic signal modifications to mitigate traffic impacts on Hebron Street at the CPCC Campus.
- Lennar Carolinas, LLC contributed \$5,000 to fund traffic signal modifications at the intersection of S. Tryon and Choate Circle.
- The above signals meet the same criteria as other traffic signals approved by the City.
- Payments made by the developers are in response to estimates of work prepared by the Charlotte Department of Transportation (CDOT) and supplied to the developers.
- Any funding contributed by developers for signal projects that is unused by the City will be refunded after project completion.
- CDOT will install and operate these signals as part of the existing signal system in the area.
