Airport Vertical Trash Compactor Electrical Services

Action:

Award a contract in the amount of \$310,633 to the lowest responsive bidder Besco Electrical to provide electrical services for the Vertical Trash Compactor project.

Staff Resource(s):

Brent Cagle, Aviation
Jack Christine, Aviation

Explanation

- On May 22, of 2017, the City Council approved a contract with Becker Complete Compactor, Inc. for the purchase of vertical compactors throughout the Airport Terminal ramps.
- This contract will provide the power and data line electrical services to the new compactors.
- On September 22, 2017, the City issued an Invitation to Bid for Airport Vertical Trash Compactor installation services; one bid was received from an interested service provider.
- Besco Electrical was selected as the lowest responsive, responsible bidder.
- The project is anticipated to be complete by the fourth quarter of Fiscal Year 2018.

Charlotte Business INclusion

Construction contracts estimated to be less than \$300,000 are informal and exempt from the goal setting process (Part A: Section 3.1 of the Charlotte Business INclusion Policy). However, Besco Electrical is a City MBE.

Fiscal Note

Funding: Aviation Community Investment Plan
