Explanation

- The contract with the Mecklenburg County Emergency Medical Services Agency (Medic) is for medical response services in the Airport Terminal.
- The arrangement is an inter-governmental agreement between the City of Charlotte and Medic, which is a joint government agency by way of Mecklenburg County and the Charlotte Hospital Authority.
- Medic's presence at the Terminal allows for quick response times to medical incidents and provides for an enhanced level of medical care available to Airport passengers and tenants.
- The Airport averages 2,200 medical incidents each year within the Terminal, that require medical response.
- On January 26, 2015, City Council approved a one-year contract with the option to extend the contract for two additional, one-year terms.
- A waiver of a competitive solicitation process may be granted when deemed appropriate and in the City's best interest. Such a finding has been made and a waiver granted for this procurement.
- The estimated contract expenditure for the first year is \$622,741 with an annual rate increase not to exceed three percent.
